

## First Friends Camp Summer Breeze

Center Camp Summer Breeze will provide hands on active learning for children ages 2-6 all summer long. Throughout our eight week session, the children will continue learning through our Creative Curriculum. The camp day includes arts and crafts, sports, gross motor play, science, nature, sand and water explorations. Themes are designed by our educational team to support growth and development of the whole child by using the Creative Curriculum. We focus on a Childs natural curiosity to learn through their senses and explore the world around them.

**Give your child a fun filled summer at First Friends!**

Registration Fee .....\$50.00  
 (Registration fees are for new families or if you are not continuing regular schedule)

\*\*Tuition prices below are weekly rates.\*\*
